"Internal Network" means a private, proprietary network resource accessible only by employees and individual contractors (i.e., temporary employees) of a specific corporation or similar business entity. Internal Network does not include the Internet or any other network community open to the public, including but not limited to membership or subscription driven groups, associations and similar organizations.

"Permitted Number" means one (1) unless otherwise indicated under a valid license (e.g., volume license) granted by Simprotek.

"Software" means (a) all of the information with which this agreement is provided, including but not limited to (i) Simprotek or third party software files and other computer information; (ii) sample and stock photographs, images, sounds, clip art and other artistic works ("Stock Files"); (iii) related explanatory written materials and files ("Documentation"); and (b) any modified versions and copies of, and upgrades, updates and additions to, such information, provided to you by Simprotek at any time, to the extent not provided under a separate agreement (collectively, "Updates").

**2. Software License.** As long as you obtained the Software from Simprotek or one of its authorized licensees and as long as you comply with the terms of this agreement, Simprotek grants you a non-exclusive license to use the Software in the manner and for the purposes described in the Documentation, as further set forth below.

2.1 General Use. You may install and use one copy of the Software on up to the Permitted Number of your compatible Computers; or

2.2 Server Deployment. You may install one copy of the Software on one Computer file server within your Internal Network for the purpose of downloading and installing the Software on up to the Permitted Number of other Computers within the same Internal Network; or

2.3 Server Use. You may install one copy of the Software on one Computer file server within your Internal Network for the purpose of using the Software through commands, data or instructions (e.g., scripts) from another Computer within the same Internal Network, provided that the total number of users (not the concurrent number of users) that are permitted to use the Software on such Computer file server does not exceed the Permitted Number. No other network use is permitted, including, but not limited to use of the Software, either directly or through commands, data or instructions, from or to a Computer not part of your Internal Network, for Internet or web hosting services or by any user not licensed to use this copy of the Software under a valid license from Simprotek; and

2.4 Portable or Home. The primary user of the Computer on which the Software is installed may install a second copy of the Software for his or her exclusive use on either a portable Computer or a Computer located at his or her home, provided the Software on the portable or home Computer is not used at the same time as the Software on the primary Computer.

2.5 Backup Copy. You may make a reasonable number of backup copies of the Software, provided your backup copies are not installed or used for other than archival purposes.

2.6 Stock Files. Unless stated otherwise in the "Read-Me" files associated with the Stock Files, which may include specific rights and restrictions with respect to such materials, you may display, modify, reproduce and distribute any of the Stock Files. However, you may not distribute the Stock Files on a stand-alone basis (i.e., in circumstances in which the Stock Files constitute the primary value of the product being distributed). Stock Files may not be used in the production of libelous, defamatory, fraudulent, lewd, obscene or pornographic material or any material that infringes upon any third party intellectual property rights or in any otherwise illegal manner. You may not claim any trademark rights in the Stock Files or derivative works thereof.

**3. Intellectual Property Ownership.** The Software and any authorized copies that you make are the intellectual property of and are owned by Simprotek and its suppliers. The structure, organization and code of the Software are the valuable trade secrets and confidential information of Simprotek and its suppliers. The Software is protected by law, including but not limited to the copyright laws of the United States and other countries, and by international treaty provisions. Except as expressly stated herein, this agreement does not grant you any intellectual property rights in the Software and all rights not expressly granted are reserved by Simprotek and its suppliers.

#### **4. Restrictions.**

4.2 No Modifications. You may not modify, adapt or translate the Software. You may not reverse engineer, decompile, disassemble or otherwise attempt to discover the source code of the Software except to the extent you may be expressly permitted under applicable law to decompile only in order to achieve interoperability with the Software.

4.3 No Unbundling. The Software may include various applications, utilities and components, may support multiple platforms and languages and may be provided to you on multiple media or in multiple copies.

Nonetheless, the Software is designed and provided to you as a single product to be used as a single product on Computers as permitted by Sections 2 and 13. You are not required to use all component parts of the Software, but you may not unbundle the component parts of the Software for use on different Computers. You may not unbundle or repackage the Software for distribution, transfer or resale.

**4.4 No Transfer.** YOU MAY NOT RENT, LEASE, SELL, SUBLICENSE, ASSIGN OR TRANSFER YOUR RIGHTS IN THE SOFTWARE, OR AUTHORIZE ANY PORTION OF THE SOFTWARE TO BE COPIED ONTO ANOTHER INDIVIDUAL OR LEGAL ENTITY'S COMPUTER EXCEPT AS MAY BE PERMITTED HEREIN. **5. Updates.** If the Software is an upgrade or update to a previous version of the Software, you must possess a valid license to such previous version in order to use such upgrade or update. All upgrades and updates are provided to you on a license exchange basis. You agree that by using an upgrade or update you voluntarily terminate your right to use any previous version of the Software. As an exception, you may continue to use previous versions of the Software on your Computer after you use the upgrade or update but only to assist you in the transition to the upgrade or update, provided that the upgrade or update and the previous versions are installed on the same computer. Upgrades and updates may be licensed to you by Simprotek with additional or different terms.
